THE SETTINGS CHILD PROTECTION RESPONSIBILITIES – STATEMENT

Dear Parent/Carer

As a provider of (childcare and/or early education) registered with Ofsted, I am required to follow the Child Protection Procedures agreed with the Local Safeguarding Children Board and Ofsted within my responsibility to safeguard children.

As a provider of (childcare and/or early education) involved in the care/education of your child, I will endeavour to share with you any concerns I may have regarding injury or specific issues of concern at all times. A confidential record of such incidents will be kept and shared with you.

I do have a duty to refer to Social Services if I suspect your child is at risk of child abuse, I will inform you if I make a referral to Social Services, unless this would place your child at increased risk of significant harm. My first concern will always be the welfare of your child.

I have a copy of the Wiltshire Child Protection and Guidance for you to see if you wish.

Yours Faithfully
